"Resilient educational systems"

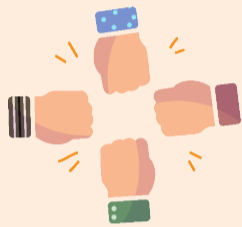

1

BELIEVE

in the teachers and create a culture of trust.

2

CREATE

a truly dynamic, inclusive and collaborative learning culture.

3

BE

prepared in a world of constant uncertainty and transformation.

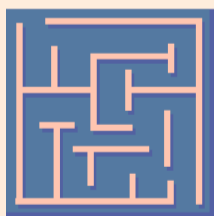

4

EDUCATE

optimism: it opens up a myriad of opportunities for the future.

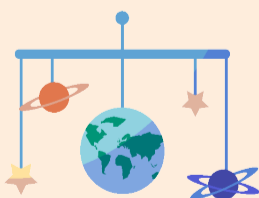

5

EXPLORE

and be adventurous, be challenging. The system in its current form may not work.

6

CHANGE

the world instead of just reacting to it.
